## APRIL

Being named National Humor Month and Lawn & Garden Month are two of April's distinctions. There are also many holidays to celebrate. Easter is on the 8<sup>th</sup> this year, followed by Name Yourself Day on the 9<sup>th</sup>. Celebrate the humor on International Moment of Laughter Day on the 14<sup>th</sup>, and if you're really attached to your office supplies you can recognize Rubber Eraser Day on the 15<sup>th</sup>. Finally, April 30 is National Honesty Day.

## EMPLOYEE PROFILE

Cory Grosgebauer joined our Group Home family as a Resident Manager in January. I was born in Michigan and moved to Wyoming when I was 3 years old. I lived in Riverton until I was 10 years old and moved to Lander. My hobbies are music (guitar), art, outdoors and movies. I have a

wonderful girlfriend named Trista and a 4-year-old named Vivian. I love to work with people and to help where I can. I hope to have many enjoyable years here at the Group Home.

## ANOTHER LANDMARK EVENT

Group Home historians will now and always mark March 15, 2012 as the day Shannon installed her printer wirelessly ALL BY HERSELF!!! Great job, Shannon

### RULES OF CHOCOLATE EASTER EGGS

- If you get melted chocolate all over your hands, you're eating it too slowly.
- Chocolate covered raisins, cherries, orange slices and strawberries all count as fruit, so eat as much as you want.
- If you can't eat all your chocolate, it will keep in the freezer. Wait a minute, if you can't eat all your chocolate???
- If calories are an issue, store your chocolate on top of the fridge. Calories are afraid of heights and they will jump out of the chocolate to protect themselves.
- **the problem:** How to prevent two pounds of chocolate eggs from melting in the hot car on the way home from the store. **The solution:** Eat them in the parking lot.

What do Easter Bunny helpers get for making a basket?

Two points, just like everyone else.
