Lander Valley High School Staff

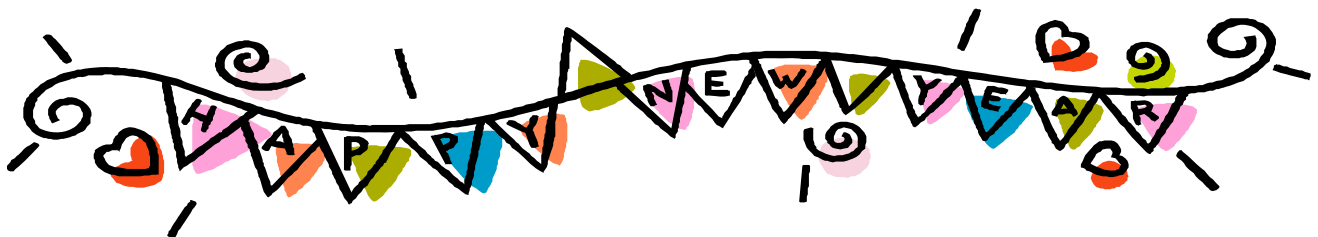

And then there was a woman and her family who brought clothing. Unfortunately, our staff did not get your name. But we wanted to mention it and thank you, too.

Your generosity is overwhelming, and we cannot say enough about how much the staff and kids appreciate all you do. One of the bags of clothes contained a suit that fit one of our boys. He just beamed when he put it on and told us he had never had anything like it before.

The kids are now enjoying new Wii systems and games at both homes, a new printer, model cars, art sets, bunk beds, desk & chair, digital camera and a Shuffle, and we plan on purchasing new computers soon.
