A FISHY TALE by T.L.

During this past month we went to Brooks Lake/River up in Dubois WY. We caught about 21 fish, all rainbow trout. The weather was nice and cool here and there, then hot also. I caught the biggest fish. It was sixteen inches long. There was this guy that caught about a 21 inch fish. I.T. caught six fish, I caught 8 fish, Betty caught 3 fish and someone else caught 4 fish. After that we went to the campsite right down the road/highway. When we got there, the people that owned it were there. We asked them if we could us a camp site, and they said yes. So we went by a stream and gutted the fish, then we went to the campsite. I gathered fire wood, put it in the fire pit, put liquid fire starter, and boom, there was FIRE!!!! We cooked hot dogs and s’mores. Then we tried to put out the fire but it finally went out. Then we were on the way back to the Group Home.
